She's a vision in pink and she likes putting the pink inside her – especially her vibrator. Like most girls of her sexual appetite Michelle never leaves her trusty toy at home and always has it to hand for that impromptu mucky moment. "I prefer my plastic toy to the real thing," she tell us. "It's always there for me, it does the job I ask of it and never answers back. But that doesn't mean I won't go near a real dick when I get the chance. Last night I had the best of both worlds. My fella came round and did me up the arse while I stuck the vibrator in my twat!"

Bruv love

After appearing in *Escort* in vol 27 no 1, my wife April has been very busy working her way through all the replies she had.

In total we've had 26 guys join us to date and it has been great fun. Some we have met in hotels but most of them we have met in pubs and then taken back to our house.

As you can well imagine April has been fucked in every hole and swallowed loads of spunk.

The most memorable occa-

mply-sized pricks. While I was doing this they let me video the whole thing.

I watch the video back and wank over it regularly. Sometimes April watches it with me and we end up fucking each other.

Anyway, the best bit of the video is when

sion was when we were joined by two brothers, Neal and Andy. They came back to ours and in no time at all had April on all fours.

They took it in turns to fuck her arse, cunt and mouth with their

Neal and Andy have got April on her back with her mouth wide open. They're finger-fucking her as they wank into her mouth, which is eventually filled with loads of hot salty spunk.

April swallowed it all and sucked every remaining drop out of their cocks. I then added my load into her willing mouth.

Now we're looking forward to meeting the 27th bloke to join us. His name is Errol and he's a black guy with a huge cock. Sue can't wait to take it all down her throat.

Bob, Devon.

I thought I would write in to tell you about the first time my wife shaved her pussy. She is a brunette and her pussy was like a big old rug.

I didn't mind it too much but I wanted to know what her cunt would be like to lick and fuck if she shaved it all off.

After weeks of begging the day came when she agreed to shave her pussy and I was dying to see her slit with her bald meat curtains on full display.

We had got everything ready when there was a knock at the door. Chloe told me she had invited her friend

Rose over as she'd had a bald cunt for years and had offered to shave my wife's for her. This instantly made my cock rock hard.

We went into the lounge where Chloe was laying on a towel with her hairy mound facing us.

Not to feel out of place Rose peeled off her jeans and her thong to reveal a beautifully shaven pussy.

Rose got between Chloe's

ERS

**Chloe,

legs and squirted some shaving foam all over her rug and proceeded to rub it in. When she let her hand linger on Chloe's clit it sent a shudder through my wife's body.

The mere sight of this hap-

I just wanted to get down and suck them but Rose said it was her privilege and moved her own cunt over my wife's face.

I watched in desperation as they ate out each other's bald cunts. They seemed so engrossed in each other it was like I wasn't there.

But I was determined I was not going to let this opportunity pass and as my wife tongued Rose's clit I shoved my whole nine inches deep into Rose's wet, bald cunt.

Chloe sucked on my balls as I fucked her mate good and proper. It didn't take long to make Rose cum and my wife's mouth was flooded with hot cunt juices.

I pulled my cock out of Rose's twat and let her kiss Chloe before I got a taste of my wife's freshly-shaven minge.

It was absolutely fantastic and I could have licked it for hours but Rose had started

sucking my cock and I was near bursting point.

I told them I wanted to cum inside my wife so Chloe opened her legs and let me slip my cock in.

After some frantic pounding I spewed my seed deep inside Chloe. As it ran out Rose was there to lick it up and used this as an excuse to continue licking my wife's pussy all evening. *Mark, Lancs.*

**Contact
me**

pening was too much for me so I pulled my cock out and started wanking.

Rose began to shave Chloe's pussy with one hand while the other was rubbing her clit and pushing a finger or two up her soaking wet cunt.

Chloe was loving this. Rose just had to run the razor down each side of my wife's meat curtains, which made them stand out even more.

MEANWHILE... BEHIND THE SCENES AT ESCORT

Some girls have all the luck and our ever-enthusiastic editorial assistant Julia Jones is no exception. She gets sex toys, mucky DVDs and your perty pics by the lorry load – but she wants more! Feed her need by sending stuff to Escort, 2 Archer St, London W1D 7AW.

BRITAIN'S GROT TALENT

Ladies and gentlemen, welcome to Britain's Grot Talent, our search for the most wank-worthy wives in the UK. Unfortunately Amanda Holden wanted nothing to do with Escort's quest for quality quim talent so you'll have to make do with Julia Jones' expert judging prowess. But your vote counts too. Just tell us which one of these lovely ladies you'd like to Ant and Dec and we'll make sure she puts on a right royal performance in a future issue! Send your votes to our usual address or e-mail escort@paulraymond.com!

Letters to Julia

Dear Julia, Being new to Escort, may I say it's the best magazine I've ever read. The girls are all so sexy, especially that Kacie in vol 29 no 6. She has such a sexy body that I can't stop looking at her picture and that sexy look she is giving, like she is trying to say come and fuck me. Every time a new issue comes out I get a hard-on just thinking about the girls that will be in it. Is there any chance you may appear in an issue showing us your naked body? I bet you look really sexy naked.

Peter, Co. Durham.

Julia says: So you're a betting man, Peter. Well, if you play your cards right and keep punting on Escort you might come up lucky.

and see me in the nude. Fancy a gamble?

Dear Julia, Just a few lines to say thanks to you and your staff for listening and taking notice of us readers by putting more photos of mature ladies like the lovely Elenor and Tammy in Escort. But you could do

with a few more. I'd particularly like to see a couple of mature ladies posing together. Perhaps even have up to four having some messy fun with custard, chocolate, etc. Anyway, keep up the good work!
Fred, Watford.

Julia says: We do our best, Fred, but lovely mature ladies who want to pose together are few and far between! I might have to get back in front of the camera after all!

BRA-VOGUE!

We've seen some fashion faux pas in our time (which is why we prefer birds with their kit off) but this pair haven't got a bloody clue! See their further wrong-doings on p. 41.

If your bint is bored with her rabbit, why not get her one of these nifty nub rubbers? And wipes clean afterwards. Priced at under £50, you can find it at www.emotionalbliss.com!

ROCK AROUND THE COCK!

If tats, twats and hi-hats sound like your idea of a good night out then you'll have a good night in with *Groupies*, a rock and cock-fest available now from Union Films. UK girls Kiesha Kane, Shay Hendrix and Tallulah Tease are among the girls playing star-struck slappers who'll do anything to get a private performance with their favourite band. REAL WIFE SEX

You can't beat boshing a bit of posh totty – and that's exactly what Sasha's boyfriend does...

When I first got together with my bird Sasha all of our friends said it wouldn't last. She was a bit of posh totty who went to a private school and loved riding horses while I left school at 15 and loved betting on horses.

Her mates said I was only into her for her money, my mates said she was just trying out the novelty of a bit of rough. They all agreed it would never last. What none of them knew however was that we had the best sex ever and is the reason why we're still shagging away.

I have to say Sasha is probably filthier than I am in the bedroom. I say the bedroom but she doesn't mind where we do it. When she's feeling horny we end up doing it in the kitchen, the bathroom, the garage, the pub toilets and even in the grounds of her parents' estate.

I'd fucked a lot of girls before I met Sasha and none of them had ever let

me do them up the arse. She let me get my brown wings on the first date!

Anyway, I've got to tell you about the shag we had the other day. I wouldn't say it was the best or the craziest fuck we'd ever had but it's typical of what Sasha and me get up to – most nights.

Sasha is still a keen horse rider and she's got all the gear. While I don't accompany her on her visits to the stables I do like to see her dressed up in her jodhpurs. They show off the outline of her perfect arse and get me hard

every time.

Last week Sasha came back from riding and she was still in her gear. I could see it was wet between her legs and while I know this was probably sweat I suspected it could be something else. It must have been because Sasha told me she was feeling

*Sasha, 22,
Guildford*

rather horny – and wanted to ride my common dick.

I love it when she emphasises her posh demeanour, it's what attracted me to her in the first place. She treats me like her servant and I have to do everything she wants.

**I primed her flaps
with my spit**

On this particular occasion she wanted me to get undressed – but not to touch her. I did as she said but couldn't conceal the fact that I already had a raging stiffy. When she saw it she gave it a gentle tap with her riding crop.

Then she ordered me to turn around and whipped my bum a couple of times before blindfolding me with her silk scarf. I couldn't see a thing but had the image of her fine body in my mind.

BIT SQUAD

Sasha must have got naked because I then felt her body press against mine. She still had the riding crop and trailed it down my chest and over my stomach before reaching my stiff cock.

Then I felt her lips wrap around my bell-end. When it comes to sucking my cock Sasha isn't shy and she went to work on my fella with her usual enthusiasm. Her hands cupped my balls and often crept round to my arse, squeezing my cheeks or prodding my ring.

Every so often she would take my cock out of her mouth, tap it with the

THE TUTOR!

riding crop and then suck the whole lot again.

"Now you can lick my pussy, you cretin!" Sasha barked as she undid the blindfold and gave me a glimpse of her gorgeous snatch.

I could never get tired of looking at Sasha's beautiful cunt and I was certainly up for licking it at every opportunity. My tongue shot out like a lizard's as I primed her flaps with my spit.

Using a combination of my tongue and my fingers I soon got Sasha begging for

more. Her legs were clamped around me and she was pulling my head closer on to her snatch. By the time she let me go my face was smothered in her sweaty cunt juices.

I pulled away and stood up with my cock pointing forward. Sasha opened her legs as wide as they would go and watched with glee as I guided my cock into her pussy.

I gave her my dick to taste

While our social upbringings aren't exactly identical, my cock and her pussy have always been a perfect match. I slipped right up her hole and in a matter of seconds I was pounding away faster than her horse could gallop.

Sasha let out a string of excited expletives, never compromising her posh accent. This turned me into a right filthy bastard and if she was to speak like she had plums in her mouth she was going to get my plums in her mouth.

I pulled my cock out of her cunt and dropped my balls in her gob. "Suck 'em," I ordered. Sasha mumbled something and then I felt the pull on my dangling ball bag.

"My fella loves it when I shave my pussy bare," she begins. "He says it makes going down on me much more enjoyable and I have to agree. His tongue gets right between my flaps and pleases me no end. It used to take him hours of prodding, poking and lapping with his tongue to get me off — now it only takes a matter of minutes before I'm cumming. And the best thing about that is I get to have more orgasms every night!"

Forty jinks

My husband recently took me out for my 40th birthday to this pub on a caravan site. Not exactly romantic I hear you say!

We were talking to this guy called Brandon and my hubby told him it was my birthday. Brandon asked if we could give me a birthday kiss and my hubby nodded his approval.

I had been waiting for

him to open the door and bent me forward over the seat.

He ripped my knickers down and the next minute I was screaming with ecstasy as his big cock penetrated me from the rear.

Unlike my husband, Brandon slowly began to grind his cock round and round inside me. Within minutes we had simultaneous orgasms.

Our performances attracted an audience

**Lesley,
Staffs**

back on the cheek but soon I was in this guy's arms and I was being kissed passionately.

Instinctively I responded as he slid his hands down my back and under my miniskirt to grasp my plump round buttocks.

Then he pulled my cratch tightly up against his and I felt his big hard cock pushing against me.

I managed to break off our kiss to look across at my husband who smiled and nodded his approval again.

Then Brandon led

me to Brandon pulled out. I began feeling two guys stroking my behind.

This felt so good, especially when one of them slid his hand between my legs and started frigging my pussy. He obviously didn't mind finger-fucking my cunt that was dripping Brandon's spunk.

One of the guys invited me back to his caravan, quickly followed by the other guy and my hubby.

They stripped me off, laid me down on the mattress and introduced me to my first ever threesome.

My hubby and six more of their mates all crowded inside the caravan to enjoy the show.

One of the guys frigged me and the other got on top of me and fucked me for

about five minutes. They never came but made up for that with the other guy.

I rode him until I finished off with two orgasms and a 40th birthday to remember!

JOY RIDERS!

Stocking-clad slut duo
Danielle and Poppy are new to the lesbo-licking game but picking it up rather quickly. Last week they were both obedient housewives, this week they're ardent scissor sisters. "If I had known being a lesbian was so much fun I would have tried it ages ago," claims dirty Danielle. "Mind you, Poppy makes it seem so easy because she's got such a tasty twat. I thought sucking dicks felt good but once I got stuck in between her legs I've realised what I've been missing. Now we've made a pact to make up for lost time and I can't wait to taste all that cunt!"

SOPHIE, WILMSLOW.
32-28-32G, 31 years old. Star Wife, p. 54 "I would love to bum my boyfriend with a strap-on - the bigger the better!"

Sophie from vol 28 no 10 has a swell pair and she doesn't mind sharing them. But don't tell her fella!

DEBBIE, 21, LONDON
I was saying to my boyfriend and I when we go out for a night in Manchester, I put on my own dress with some over-sized boob and most importantly no knickers! I just felt like being a bit naughty that particular night!

"We'd been in a few bars

SLAPPER!

I was bored and I saw my boyfriend went off to the toilet and I went to the cupboard at the bed. While he was waiting I got talking to this stunning girl. She was blown with the most gorgeous face I've ever seen. Instantly I envisioned her taking me and making out with me.

We were drinking together pretty. We were necking each other quite stemmers. My boyfriend was never to be seen but I wasn't really bothered because my mind was on Karen! I just kept getting these sexual thoughts in my head and I just had to make them come true.

On hearing a knock on the door I grabbed me and we ended up having a full-blown sex. I couldn't believe it was happening because it was fucking fun! I opened the door to see Karen at herbie - they were all in their clothes and she was clear.

and I'd been invited to photograph her on her wedding day.

She'd had a long day, her maiding her want calm. Then she should cumming.

I'd just finished one of my fingers up her ase and she came with her hole been rubbed down on legs.

I went to my room and took off all my clothes really swoon.

Then there was a bang on the door followed by someone shouting: "Get out! we're waiting for a posse!"

I had forgotten about anyone else. Karen and I just looked at one another pulled ourselves together and opened the door.

There was a queue of angry looking girls glaring at us but Karen and I just locked them each other and laughed.

When we were sent to a pub by boyfriend we coming. He hadn't got a clue where I had been and he certainly didn't know what his best mate tell.

charlie

It's said a woman's jewellery can tell us a lot about her and we think Charlie's neck adornments speak for themselves. Or at least give us some idea of what a serving of spunk would look like oozing between her gorgeous globes. "I love getting a faceful of cum and then letting it trickle down my body," she admits. "I recently went to a party where three guys took turns wanking all over me. I was covered in so much of their sticky mess in the end if it really was made of pearls I'd probably be a millionaire. Unfortunately it's not so I scooped up as much as I could and then disposed of it the only way I know how — down my throat!"

An image of a woman wearing a black and white patterned lingerie set, standing and holding a cigarette in her right hand. She is looking towards the camera.

A woman with dark hair tied back, wearing a black bikini top and bottoms, stands against a yellow background. She holds a white rectangular sign in front of her chest with both hands. The sign has a black border and contains the following text:

NO. 69
**SWEET & STICKY
PUSSY JUICE!**

**HOT 'N'
SPICY
FUCK
SLUT!!**

The bottom right corner of the sign features the letters "XXX FILM".

A woman in a red dress stands next to a stack of colorful books. The books have titles like 'POSH TOTTY' and 'JUDGES' visible on the spines.

An image of a woman's torso from the waist up, showing her breasts. The background is dark blue with white text overlay. The text reads "BIG BOOBS SMOTHERED IN THIS" at the top, followed by "CALL NOW • CALL NOW • CALL NOW • CALL NOW" and the phone number "0909 866 0183" at the bottom.

HARDCORE SLUTS!

A graphic element consisting of a stylized, colorful face on the left side and a large, bold phone number on the right side. The phone number is enclosed in a red-bordered box with a black background. The text "CALL NOW" appears twice above the number, and five small "XXX" icons are at the bottom.

A blurry, high-contrast image of a woman's face and shoulder area, possibly a nurse, wearing a red top. The image is part of a graphic for a phone sex service.

The image shows the front cover of a magazine titled "SISSY TRAINING SCHOOL". The title is at the top in large, bold, white letters. Below it is a black banner with the words "SCHOOL" and "YOU'LL BE MY PERFECT SISSY BITCH!" in white. To the right of the banner is a large, semi-transparent photo of a woman with dark hair, wearing a light-colored lace lingerie set. On the left side of the cover, there is a vertical column of text in white: "INTENSE TRAINING IN THE FOLLOWING AREAS".

REAL WIFE SEX

Sasha's story continued from page 21

When I'd had enough of her sucking my nuts I pulled them out and gave her my dick to taste. She licked the tip to experience her own cunt juices and then I plunged it in.

Sasha loves deep-throating my cock and managed to get me so close to cumming I had to pull out. As soon as I withdrew she took charge again and demanded that I fuck her arse.

I turned her round and spread her perfect bum cheeks. Rather than stick my cock right up there I thought I'd give myself a bit more staying power so I started licking her ring.

Sasha wriggled every time I swept her hole with my tongue. She began swearing again and begging me to stick my cock up there. What the lady of the house wants, the lady of the house gets so I stood up, positioned myself and stuck it in.

She groaned as my cock burrowed up her backside. When I was in to the hilt I started pulling back and forth very slowly to the sound of further moans.

Eventually, when Sasha got used to the anal intrusion she begged me to speed up. Once again I did as she said but spying the riding crop to my side

gave me an idea and I picked it up.

At first I lightly whipped her cheeks as I did her up the bum. Then I reached round with the crop and began to swat

**I started licking
her ring**

her pussy lips. Sasha yelped with each stroke and this encouraged me to increase the tempo.

By this time Sasha started yelling and told me she was about to cum. Her movements were so spasmodic I pulled my cock out of her arse until her orgasm

was over. Then I got her to turn round and wank me off.

With both Sasha's hands pulling on my cock and my own pelvic thrusts I soon had that feeling in my balls. A few more tugs is all it took before a torrent of my dirty seed sprayed out.

The cum splashed all over Sasha's face and try as she might with an open mouth she couldn't catch it all. Seeing the posh tart with her face covered in my muck always gave me a smug feeling of satisfaction. But obviously not as satisfying as having my balls emptied! ☺

Fill my box

Since appearing in vol 29 no 2 I've had a terrific response from readers. One that stood out was Gary from Leeds so my husband and I decided to meet up with him.

We arranged to meet at a hotel and act out one of my fantasies, which is was to be fucked senseless by another man while my hubby watched.

When Gary joined us in our hotel room the men got undressed. My hubby sat on the sofa in the corner of the room while I got undressed in front of them. I could see Gary's cock was rushing with blood just from looking at me.

I got naked and wore nothing but my black stilettos. I walked over to Gary and

knelt down to grab his large semi.

His cock was fucking massive. I put it in my mouth sucking gently but firmly feeling it go harder and harder.

Every now and then I let his cock go to the back

of my throat, almost gagging me, listening to his stifled groan as he tried not to cum too soon. My husband sat there in amazement, wanking furiously.

I lay on the bed and let him lick my juicy wet cunt.

His fat tongue firmly licked my clit while he dug his fingers deeper in and out of my fanny.

I was in ecstasy and was cumming on his face in minutes. I couldn't keep quiet and moaned out loudly.

Happy landing

My fella Mike had been working away for a couple of months and although he left me with a good selection of dildos they didn't really do the job.

I didn't want to be unfaithful either so I just had to be patient.

As you can imagine by the time he was due back I was absolutely gagging for it – and it lead to one of the filthiest fucks we've ever had.

I went to the airport to pick him up and while he was going through customs I sent him loads of dirty text messages telling him just how horny I was.

When he came through and saw me I leapt over the barrier, ran towards him and jumped up. Mike caught me in his arms and I instantly felt the bulge in his trousers.

"Let's get to the car park, now!" I insisted.

As we put the luggage in the boot of the car Mike pulled up my skirt, tugged my knickers to the side and stuck his cock in my twat.

There were a few people on the other side of the car park but they couldn't see what we were up to.

**Marie,
Leeds**

I let him pound me good and hard and just as we were both about to cum a car pulled into the space right next to us.

We managed to get inside our car before they could see that I had my knickers around my ankles and Mike had a massive erection poking out of his jeans.

We waited until the people had got out and then I leaned over and took his cock in my mouth. It tasted of my own juices and that turned me on even more.

I took Mike right to the back of my throat and sucked him off until he came down my throat. You could tell he hadn't fucked me for ages

Kelly, Huddersfield

I made Gary climb on. I couldn't wait to get his large pork sword inside me.

Letting him put his massive cock in felt great. He stretched me slightly but being so wet he got it in and it felt orgasmic.

My hubby was loving every minute of it, watching this bloke fuck his wife.

Gary started grinding and pumping his cock deeper into

my twat. Soon he shot his sticky cum up me, groaning as his mess flooded my cunt.

My hubby could not hold back any longer and straddled over me.

I put his cock in my mouth and he came instantly. I duly swallowed his seed with delight.

Both men looked completely satisfied and I was happy to tick another fantasy box!

Kelly, Huddersfield.

because the streams of spunk just kept coming.

In the end I had a right mouthful and had to spit it out

the car window as we sped home – so Mike could give me my first proper orgasm in months!

Marie, Leeds.

Flash fuck!

I am writing this letter to you and all your readers who are very good for writing to my wife Delia since her appearance in vol 29 no 5. We have met several men through your mag.

Delia is a flasher and she loves men seeing everything she's got. And she's got a lot.

She flashes to trains, lorries, the lot. We even went to a garden centre and then ended up at the beach where Delia loves showing it off.

We took a lot of photos of each of us posing with her then it was her turn to give us all a hard-on. By this time we all ready to shag the arse off her.

We went to the sand dunes, all got undressed and started

Our last encounter was with two men who wrote to her saying they loved her photos in your mag and wanted to meet her for real.

When we met up with them my wife wore a very short skirt and low cut top. The four of us then went to a few places I usually take my wife flashing.

licking Delia's tits and her cunt. She had one cock in her mouth and one spunking on her tits.

Delia loves having different men so she was shagged for ages until we were all knackered. Now we can't wait to meet more of your readers for the same sort of fun!

Pete, Plymouth.
